

Board Bio

Name:

Kimberly Schmidt

Board Member Since:

October 2010

What is your connection to HOPE or how did you hear about HOPE?

I have been an elementary teacher here at HOPE since it opened in August 2000. I have taught 1st and 2nd grade literacy and also 2nd and 3rd grade math. I have also taught afterschool classes and worked with the summer school program.

What is your professional background or your current position?

Elementary Education currently teaching 3rd grade.

Why do you enjoy being a board member or what do you see as the benefits of being on the HOPE board?

As an original staff member here at HOPE I am excited to find out more about how a school is run and want to be part of important decision-making that involves school issues.

Personal Information:

I currently live in Bloomington with my daughter Lydia. I enjoy music and dancing, spending time with family and friends, and will often be enrolled in a ballroom class.
