VII. Existing Business

1. Fundraising Follow-Up: Next Steps?

Discussion followed on working with the staff to identify a project the Board can collaborate on with them. Maychy to reach out to staff for thoughts and ideas. Discussion will need to continue to take place as we move forward with this initiative.

Brainstorming Ideas:

1. Have a goal of one project a year (collaborate with the staff on needs they identify)
2. The goal/need should be identified by staff and driven by staff, with board support
3. What does the Board support look like?
 - a. Physical presence at events
 - b. Help find outside people to support fundraising efforts, including financial support
4. Be an annual event, i.e., such as the HOPE Carnival
5. Identify a need and/or cause to help potential donors to relate to so they will want to contribute. The need/cause will continue to be a focus point of discussion.

VIII. New Business

1. Board Member Rounding

Sia provided a summary of her idea to get the Board more engaged with the school. This is an opportunity for Board members to meet staff, learn about school programs, etc. It can be whatever each Board member feels comfortable with doing. Discussion followed on the pros/cons of Board member rounding and establishing clear guidelines of expectations from both sides.

Brainstorming Ideas:

1. Join a class and read to the students.
2. Lunch with a Board member.
3. Do a "Meet and Greet" with the Board.
4. Observing a classroom. Zuag offered to have Board members come observe her class.
5. Meet the Board members during the opening week for staff.
6. Teacher Appreciation Week (May 6-10): Consider doing something.

Delta:

4. Others

Ka asked about whether the snow days this year would affect HOPE regarding having to make up additional school days. Maychy responded it would not affect HOPE as they have extra time built in to their day.
